

I want to stay!

I don't approve of this plan.

Why take the risk?
Why him?

He is

everything that's wrong with this country.

Educated
tech savvy
well off

and yet utterly apathetic.

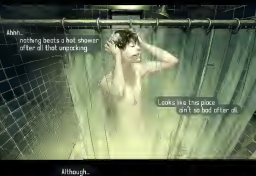

He is the ideal citizen.
A sheep in man's clothing.

He told me many things during our little chats, about his family's wealth, his good grades, his favorite video games, TV shows, idols, everything trivial.

He will be our first experiment.
I will expose him, break him, and—

why are there two toilets in here..?

It's not like the both of us will use them at the same time.

Oh well,
even if I had to take a shit
with another person-

I wouldn't mind if it's with a hot babe-

like Ro-
